Student Clubs and Organizations

Cardinal and Gold Ad Agency Club meetings Tuesdays

Looking for more opportunities to grow your portfolio of work?

Come join the Cardinal and Gold Ad Agency Club!

Students gain real-world experience through certification workshops and projects to showcase in their portfolios. We work with local businesses and clubs to develop their content, website and graphic design materials.

No experience is needed to join. We will begin work on several new projects in our upcoming meetings.

Come join us on **Tuesdays from 7-8:30 p.m. in Hamilton 0010B**. Please feel free to contact isucg1@gmail.com or janagel@iastate.edu with questions.

We hope to see you there!
